

## TWO FAVORITES WINNING.

RESULT OF THE TWENTY-THIRD RACE DAY IN SARATOGA.

**Scotia** Winning the First Race.—**A Double Victory** for the Dwyer Brothers, Dan Sperling Beaten by Oden and Big Medicine.

**SARATOGA**, Aug. 17.—Notwithstanding the fact that there have been two-three race days within the past four weeks, the interest seems to increase. To-day's attendance was equal to that of any previous regular day, and much enthusiasm was manifested during the racing of each horse. A large number of ladies graced the occasion by their presence, and applauded vigorously when their favorites won. The weather was very pleasant, a cool breeze adding to the general comfort. The track was in excellent condition, and good racing was the result. The favorites were particularly successful to-day, they winning the first and last races. The Dwyer Scotland and mare Scotia was the successful one in the first race, she winning easily, thus meriting the considerable backing which she received. The bettors eagerly placed their money on Franklin in the second race, but they were disagreeably surprised at the success of Elias Lawrence, Jericho, his stable companion, taking second place. They both belong to the Dwyer Brothers. Dan Sperling was so well thought of that he became a favorite at once, but Oden had the stars of Gov. Bowie in front at the finish, and Dan was beaten.

Next was the race for the Champion Stake, for all ages, distance one mile and a half. The runners were P. Lorillard's b. b. Uncas, 3 years, 118 lbs.; Dwyer Bros.' b. b. Luke Blackburn, 3 years, 102 lbs.; D. P. Withers' ch. g., Report, 4 years, 115 lbs.; and G. L. Lorillard's ch. g., Monitor, 4 years, 115 lbs., and the same color.
